of white, worth 9c. per gross FE CASING, assorted colors.

Samples Sent on Application. was too confident, and consequently not as careful in the trial of the case as he should have been. They all admired his speech, but gave Col. James credit for getting the best of the Court's instructions to the jury. It was reported in the court-room after the jury nad been discharged that Simmons Furdy on, entering the jury-room and ounced that he was for Mr. Sage and intended to stick to him. Purdy during the trial was referred to by one of the attorneys as "a square-jawel Yankee, who would be a good man to have with us,"

The Third Trial Ends After Twelve Days in No Result.

Mine for Laidlaw to Three for Sage

Was the Vote.

Again the Story of the Norcross

Bomb Must Be Told.

The jury in the Laidlaw-Sage case came into court at 10.45 o'clock this morning. The foreman announced that they had been unable to agree upon a verdict, and Justice Patterson discharged them.

The jury retired at 7 o'clock last night in charge of Capt. William Ricketts, William Hannah and Allen Jarvis. court attendants. At 10 o'clock this morning. after having been out all night, the jury were discussing the case in tones which could be heard in the corridor, 100 feet from the small room in which they were locked.

In the right was referred to by one of the sattorneys as "a square-jawe! Yankee, who would be a good man to have with suit of the famous suit of William Handlaw against Russell Sage, the millionaire speculator, to recover \$50,000 for linjuries alleged to have been received when Norcross, the Boston crank, threw ten pounds of dynamite in Sage and when Norcross, the Boston crank, threw ten pounds of dynamite in the super section of the sage of the on the copy of the Norcross and the sage is a husiness errand when Norcross the Boston crank, threw ten pounds of dynamite in the super section of the sage of the on the copy of the Sage and the was a clerk in the employ of Ricco a husiness errand when Norcross the Boston crank, threw ten pounds of dynamite in Sage and the was not continued with immediately.

Laidlaw was a clerk in the employ of Ricco a husiness errand when Norcross the Boston crank, threw ten pounds of dynamite in Sage and the court dismissed the surface of the

RUSSELL SAGE. One of the jurors informed an "Evening World" reporter that the jury on the first ballot stood nine for Laidlaw three for Sage. The three Sage men were obdurate. Arguments were of no avail, and each succeeding ballot "The three men who held out for Sage said Laidlaw had not been badly or permanently injured, and they did not believe he was entitled to rix cents damages," he said.

damages. he said.

"They did not believe the testimony of witness Kendall, who swore that Sage admitted to him that Laidiaw saved his life, nor did they place any cie lence in the testimony of Witness Robertson, who appeared for the defanse."

From another source it was learned that the three men who refused to give laidiaw a verdict were Jurora Jefferson and save according to the sage of the sage of the sage of the money and leaf in specialties.

Cable Car at it Again.

An ice sage driven by Thomas Clark, was run liste by a Third avenue cable our to-day at Seventy-first street. Clark was thought to the

ELECTRICITY FOR S. I. R. T.

Also a Possibility of Extending the Service Inland.

The officials of the Staten Island Rapid Transit Company are considering the ad-visability of changing their motive power from steam to electricity The route of the Staten Island Rapid Transit Company now extends along both shores of the island. The granting of a franchise for an electric road into the interior of the island may diminish several days, and the Court dismissed in the jurer, thus practically beginning a new trial.
